Design Dash Workshop: Learn & Apply Design Sprint Basics at mHUB

Wednesday, October 30
9:00 AM - 5:00 PM

Learn how to:

- Use time constraints to guide the creative process
- Use design methods to turn ideas into testable prototypes
- Strategize for testing new ideas rapidly

Join the designers and strategists at Highland Solutions for a hands-on design sprint workshop! Seasoned sprint facilitators will lead you through the basic components of design sprints in just one day to apply to a real-life business goal.

Ticket Price: a $600 dollar value for only $250
